This is perfect opportunity for information technology consultants and recruiters who have recently been laid off or has turned down opportunities.. We would like to speak with you about a way YOU could generate some extra income! We would like to work with you to generate new clients and open up new contract and full time opportunities!

Share a client contact/decision maker/Project Manager or information on DIRECT client opportunity and receive an immediate referral free of \$50 directly deposited into your personal banking account. If a placement is later made- you will receive a reoccurring hourly commission fee- on every person is that placed. Pay is on a per completion basis (the client/contact, etc. verifies openings and allows us to work with them directly).
