

YOUR KEY TO SUCCESS WITH SAP

Integrity. Character. Hard Work. Commitment.
At Kron-Tech Solutions, your needs come first. We're committed to meeting those needs with excellence and integrity to ensure satisfaction.

Kron-Tech Solutions

Is the premier choice

for SAP HelpDesk Solutions. With

more than a decade of SAP technical experience, we are primed and eager to help you get the most out of your SAP package and expand your knowledge of what's possible. We also offer consulting services, geared directly to your individual business needs.

And we make things easy. At Kron-Tech Solutions, we've simplified the HelpDesk process by enabling you to log in and track your issues online through our HelpDesk website. We provide quality service from experienced consultants whose primary goal is to help you meet your business needs quickly and easily, minimizing your frustration in dealing with problem resolution. Meeting your needs with efficiency and quality service is our primary concern.

Contact us today to discuss your particular business needs and how we can best serve you.

SAP HELPDESK SUPPORT SOLUTIONS

Kron-Tech Solutions also offers web conferences, on-site education, and other user-friendly training opportunities, all geared to helping you make the most of your SAP experience.

SAP HELPDESK SOLUTIONS

Kron-Tech Solutions is the premiere US based HelpDesk solution for your SAP needs. Each of our consultants has a minimum of ten years of industry experience. We know that your business doesn't stop when SAP issues surface and that you need fast solutions at a reasonable cost. It's our priority to simplify the HelpDesk process and take the hassle out of technical support, while seeking to fully satisfy your needs. At Kron-Tech Solutions, we value our customers and are committed to quality in ensuring your success with SAP.

flexible solutions for your business needs

EXPANDING YOUR KNOWLEDGE

We'll also help you maximize your current SAP maintenance package by educating you on the benefits you already have with SAP and help you determine how to best take advantage of them. At Kron-Tech Solutions, we know you want to make the most of your business dollar and are committed to helping you.

COST EFFECTIVE SOLUTIONS

You get more for your money with Kron-Tech Solutions. First, there are no surprise fees. We'll help you find the monthly support package that best meets your needs for a reasonable cost which will remain consistent from month to month, enabling you to budget well. You can cancel service at any time with thirty days notice with no hassle or cancellation fees.
